

Critical Thinking Questions (CTQs)
PSYC 10: Introduction to Psychology
Tu, Th 2:30-3:55 p.m. (10455)—SS 214
Fall 2017

- Chapter 1:** How does culture help in better understanding a person?—give plenty of details.
- Chapter 11:** What are the differences between direct coping and defensive coping? Which one of the two types of coping do you use the most and why?
- Chapter 4:** What problems would arise if a person consumed excessive amounts of caffeine? What are some solutions to these problems?
- Chapter 3:** What role does physical pain play in our lives? How would our lives be different if we experienced no physical pain in our lives?
