EATING CEREAL FOR BREAKFAST (Chant) #4

Place a bowl, a bowl, a bowl,
Right on the kitchen table.

Then place a napkin, napkin, on,
that same old kitchen table.

Place a spoon, a spoon, a spoon,
Right on the paper napkin.

Now choose a box of cereal,
Some good and yummy Krispies.

Then get the milk, some cold, cold milk,
From your refrigerator.

Now put the yummy cereal,
Into your big, big bowl.

Pour milk right on, pour milk right on,
Careful not to spill it!

Now eat, and eat, yes eat and eat,
That cereal for breakfast.

Now eat, and eat, yes eat and eat,
That cereal for breakfast. Yummy!
