

**WASHING YOUR HANDS** (I'm A Little Teapot)

#2

G                      C    G  
Turn on the water faucet, the hot and cold.

C                    G              DZ    G  
Turn on the faucet, both hot and cold.

G                              C            G  
Wet your hands with water, all fingers and thumbs.

C            DZ          G      DZ G  
Wet your hands, all fingers and thumbs.

---

G                              C    G  
Grab the soap, don't drop it-- it's slippery.

C                      G              DZ    G  
Grab and grab and grab it-- it's slippery!

G                              C            G  
Wash your hands with soap and wash with water.

C                  DZ          G    DZ G  
For clean, clean hands use soap and water.

---

G                              C            G  
Now rinse and rinse your hands with lots of water.

C                      G              DZ          G  
Rinse and rinse and rinse-- goodbye to the dirt.

G                              C            G  
Dry your hands completely and please use the towel.

C              DZ                      G DZ G  
Not your shirt or pants or underwear!
